

JSSC Conference April 2008

NAVSAFECEN Update

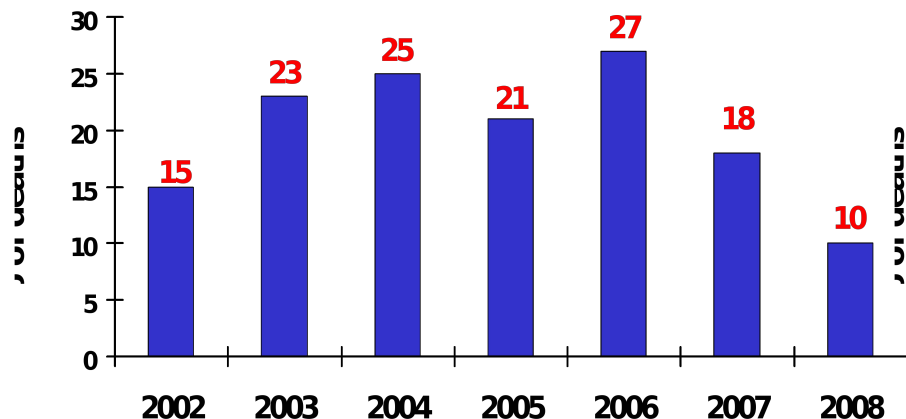

FY08 Mishap Trends

- Aviation Mishaps
 - Overall trend down since 2003, however,
 - Class AFM rate highest since FY1993
 - Class BFM rate 2nd highest since FY1983
 - highest was FY07
- Operational Shore Mishaps
 - Increase in operational shore fatalities
 - 4 from SPECWARCOM
 - Parachute (2)
 - Weapons (1)
 - Small Boat (1)
- PMV/RODS Mishaps
 - Off-duty/rec: 4 of 7 are recreational drownings
 - PMV: 100% of motorcycle deaths (10) involve sport bikes
- Negligent Discharges
 - Increase in Navy on-duty weapon discharges causing personal injury (3 of last 4)
 - Causal factors - personal error and failure to follow procedures
 - Concern for number of off-duty personal weapon discharges causing injury

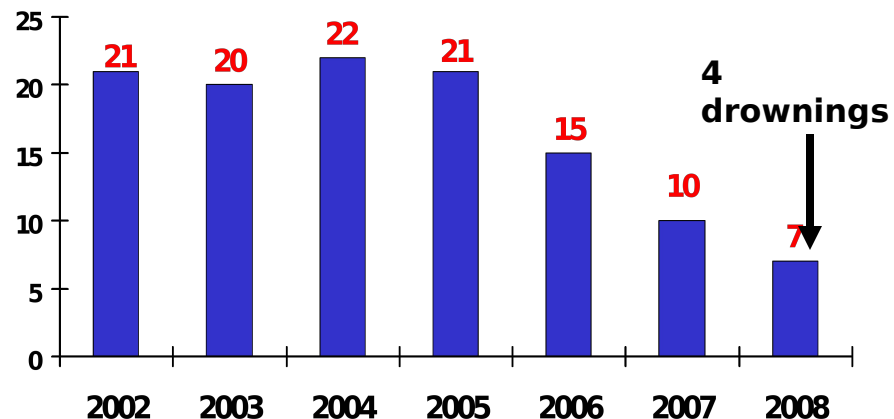

Areas of Concern

- Aviation
 - Increase in training command mishaps
 - Increase in senior aviation mishaps
 - Instrument proficiency
 - VMC to IMC transition
 - Combat deployment to training environment transition
- Shore
 - Increase in motorcycle sport bike mishaps
 - Increase in SPECWARCOM operational training fatalities
 - Increase in Negligent Discharges causing personal injury

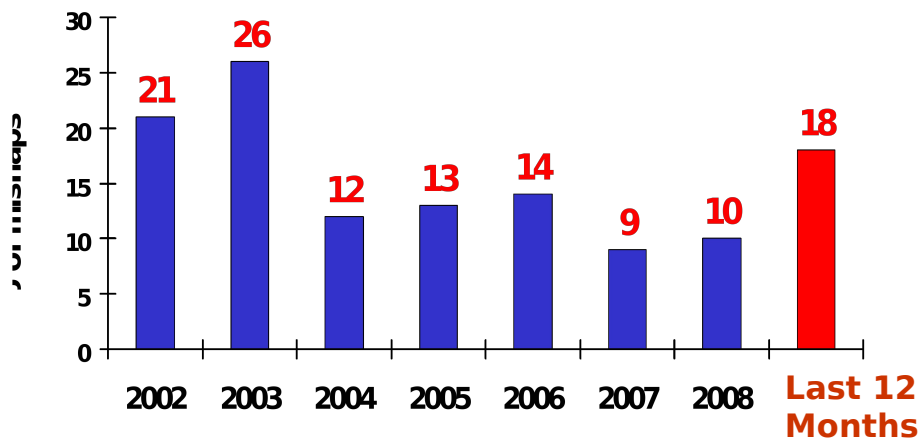

Navy Motorcycle Fatalities

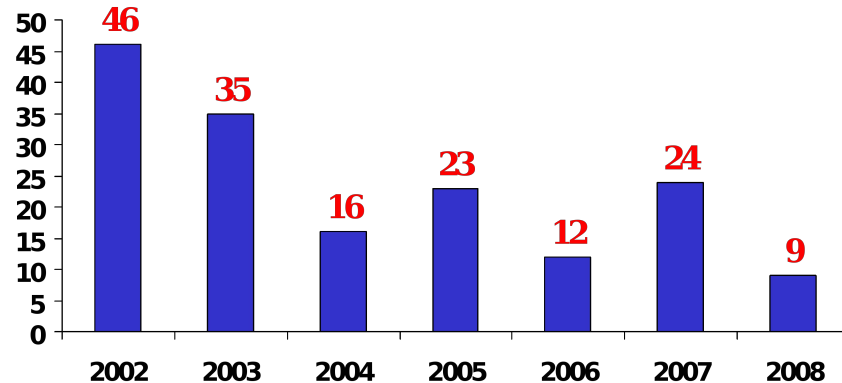

Navy Off-duty/Rec Fatalities

Navy Class A Flight Mishaps

Navy Negligent Discharges

Lessons Learned/Best Practices

- Aviation
 - Standardization, Training & ORM (STORM) Dept for aviation squadrons
 - Concept under development
 - Importance of Crash Survivable Flight Incident Recorder (CSFIR)
- Afloat Hazard Reporting initiative
 - Improve reporting environment through education, improvements to instruction, and increase incentives

Lessons Learned/Best Practices

- Leadership
 - Chiefs Standards and Conduct Board
- Risk Management
 - Time Critical Operational Risk Management
 - Introduce course of instruction at Navy Boot Camp
- Development of Military Sport Bike Course

Lessons Learned/Best Practices

- Communicating with “Generation Next”
 - Sailor to Sailor Safety (S2SS) program
 - Commander’s Advisory Board
 - Audio Podcasting
 - Special Edition magazine
- Motorcycle Quick Series Handout
- Motorcycle Special Edition Magazine
“Smart Ride”
- Poster Contest

Other

- Building a Risk Management Information System
- Compliance with DSES
- Improve process to identify high risk Sailors
 - Driving Behavior Assessment Tool (DBAT)
- Underreporting
 - DoD IG project
